

# Dark Matter 2018: From the Smallest to the Largest Scales

## Tuesday, June 26, 2018

### Afternoon Session: Indirect Searches & Theory (3:00 PM - 4:40 PM)

time	[id] title	presenter
3:00 PM	[M48] Indirect Searches: Overview	MURGIA, Simona
3:50 PM	[M49] Accurate measurements of the dark-matter annihilation J-factor and decay D-factor profiles of dwarf spheroidal galaxies	PASCALE, Raffaele
4:15 PM	[M50] Resummation for indirect detection of heavy dark matter	VOLLMANN, Martin
