

Session Program

Jun 25 - 29, 2018

Dark Matter 2018: From the Smallest to the Largest Scales

Afternoon Session

Santander (Spain)
Hotel Santemar Calle Joaquín Costa, 28, 39005 Santander

Tue, June 26

3:00 PM

Afternoon Session: Indirect Searches & Theory

Session | **Location:** Santander (Spain), Hotel Santemar Calle Joaquín Costa, 28, 39005 Santander

3:00 - 3:50 PM **Indirect Searches: Overview**

Speaker

Simona Murgia

3:50 - 4:15 PM

Accurate measurements of the dark-matter annihilation J-factor and decay D-factor profiles of dwarf spheroidal galaxies

Speaker

Raffaele Pascale

4:15 - 4:40 PM **Resummation for indirect detection of heavy dark matter**

Speaker

Martin Vollmann

4:40 PM
